

DRUGGISTS HOLD CLOSING SESSION; ELECT OFFICERS; WIND UP AFFAIRS

(Continued From Page One)

tended its invitation through T. P. Hill, who made a passing speech in which he extolled the many advantages of a convention city.

A recommendation that the annual report of president John A. Weeks be adopted in full was made by the committee on president's reports. This was adopted.

The legislative committee had a report to make on local matters, but

commented a number of pharmacy laws adopted by other states.

Urges Amendment of Law

An amendment to the state pharmacy law was read by R. H. Walker, of Gonzales, providing that no person shall compound or sell as retail any medicine or poison, unless he has been licensed as a pharmacist by the state board of pharmacy. This amendment excludes such goods as are sold in packages already put up and properly labeled at the factory. The recommendations were generally in line with those embodied in the annual report of president John A. Weeks.

"One reason that it is difficult to detect poisons of the law in Texas," said Mr. Walker, speaking in favor of the resolution, "is that the druggists don't want to testify in many cases. We should all work together to see that the law is observed."

R. H. Walker, of the New Mexico state board of pharmacy, made a strong plea for the prompt payment of dues by druggists.

Mr. Walker also read a proposed bill making more stringent the narcotic law. In this connection it was stated that much harm was being done through the sale of irresponsibly vendible narcotics.

"And what we want on these bills is action," said Mr. Walker. "We too often refer important matters to committees, when we should have thorough discussion of the subject by all members. I am in favor of starting here a week if necessary, but let's get some definite action."

Others spoke in favor of thoroughly going over all business that comes up before the meeting.

The bill and amendment were finally referred to the legislative, executive and board of pharmacy committees to report back on them at 2 o'clock. This will mean that the session will be continued this afternoon, beginning at 2 o'clock.

"Ward" Makes Good Record

Each year the state association selects a worthy young man and pays his expenses through the pharmacy department of the University of Texas.

This year L. E. Skinner was the ward of the association who graduated. In his report to the association, dean R. L. E. Skinner, of the university, stated that the young man had passed his examinations with high honors. The selection of the association's ward for next year will probably be made this afternoon.

Excursion to Cloudcroft

The big event of Thursday will be the excursion to Cloudcroft, N. M., for the delegates attending the dual convention, which will be under the auspices of the Drug Travelers' association of Texas.

The excursion train will leave for Cloudcroft in the morning, departing from the union station at 1 o'clock. It is due to reach Cloudcroft at 11 o'clock. Luncheon will be served at the Lodge at Cloudcroft. The day events will begin at 2 o'clock. These events will include a 50 yard dash for men weighing 150 pounds, a 50 yard dash for men weighing over 150 pounds, a 50 yard dash for women, a 25 yard dash for women, a free for all chicken race, a tug of war between the druggists and the drug travelers, a prize walk, a prize one step, a prize hesitation walk and a bowling contest. The excursionists will leave Cloudcroft on the return trip to El Paso at 5 p. m. arriving here at 10 p. m. in time to connect with the night train to San Antonio.

Cabaret Entertainment a Success.

More than 250 persons were in attendance at the cabaret entertainment given at the El Paso Hotel Tuesday night atop the Paso Del Norte. The cool breezes after the hot day and the excellent entertainment combined to make the occasion one of the best features of the convention.

Collector Zach Lamar Cobb welcomed the delegates, telling them that from their elevation, they could see

CARROLL TO BE GIVEN HEARING IN LAS CRUCES

Anthony Murder Case to Be Investigated in Court Friday Morning

Las Cruces, N. M., June 17.—Charged with killing his wife at 1:30 a. m. on June 12, near Anthony, W. B. Carroll will be given a preliminary hearing in Las Cruces on Friday morning at 11 o'clock.

Carroll and J. H. Wiggins, who is held as a material witness, have in jail here since the day following the tragedy at the Carroll ranch home. The question of admitting Carroll to bail will be determined at the preliminary hearing.

Carroll and his wife both formerly lived in El Paso, and Wiggins, who was making his home at the Carroll ranch, formerly was in the employ of the reclamation service, all of the parties being well known throughout the valley.

Mrs. Carroll was killed after midnight on June 12, following the arrival of Carroll, who had returned the previous day from Atlanta, Ga., where he had taken their young child. Carroll

WHEN IS GREEK ATTIRE MODEST?

Yvonne Chappelle, whose costume is typical of that which shocked Federated Women's clubs at Chicago convention.

Drapery, or Absence of It, Causes Great Sensation Among Women.

Chicago, Ill., June 17.—Weighty matters like suffrage, uplift for the rural folk, prohibition of olive and social betterment and other topics with which the Federation of Women's Clubs convention is wrestling, fail to bury the ghost of that shocking Greek dress which was given as a part of their entertainment. It continues to bubble up in all conversations and leads constantly to the question of where art ends and immodesty begins in Greek pageants.

Some 2000 delegates who had previously issued a call for dress reform, were embarrassed at the presentation of the "Worship of Apollo" and the "Revels of Daphne," and many left before the entertainment was finished.

Daphne (Miss Yvonne Chappelle) was a beautiful girl. There was dancing and revelling led by Apollo and Daphne. One of Apollo's stunts was to catch Daphne and carry her above his head while dancing. The flowing robes of the girls were slashed to the hips. Shoulders, arms and legs were bare. The scanty attire of the Olympians was initiated to a hot weather degree both by the girls and boys in the cast.

He also divides his time between New Braunfels and San Antonio, by way of residence. He is accompanied by Mrs. Hanne who is the vice president of the women's auxiliary.

R. B. Gilmore from Houston, has been the head of the "Meet me at Houston" next year's delegates, and is president of the Houston Chamber of Commerce. He represents that organization in pulling for Houston as the convention city. He also represents the retail druggists, the retail merchants, the cotton exchange and the convention city.

Albert Kronosky represents the National Wholesale Druggists Association of America. His office delegates to the state convention. Mr. Kronosky lives in San Antonio, where he is president of the San Antonio Drug company.

C. E. Sutton, of New York, is the camera man of the bunch and belongs to 14 state associations which is going some. Mr. Sutton makes his headquarters in San Antonio in the summer and Chicago in the winter. He has been to El Paso before having come with the international club of San Antonio and the Texas Drug meeting.
